

Electronic Manufacturers' Representative

DRI

- ❖ Relays - Electro-Mechanical, Automotive,
- ❖ General Purpose, Power, Telco,
- ❖ Through Hole and SMT, AC & DC Coils,
- ❖ Reed Relay, Proximity Reed Switches

MICROSPIRE

- ❖ Simple or multi-coupled inductor
- ❖ Power transformer (flyback, forward, push-pull..)
- ❖ Current-sense transformer
- ❖ Pulse transformer

PHLOX

- ❖ Groundbreaking LED backlight technology for LCDs
- ❖ Aerospace and machine vision
- ❖ Very compact and **efficient day/night (NVIS)** custom backlights

SYNSEMI

- ❖ Bridge Rectifiers, Small Signal Transistors
- ❖ Diodes, Transient Voltage Suppressors
- ❖ Zener Diodes, Schottky Barrier Rectifiers
- ❖ Fast Recovery, High Voltage Rectifiers
- ❖ Thru Hole and Surface Mount Packages

STPI

- ❖ Hermetically sealed relays for severe environment
- ❖ Timers, Function relays, Automatism
- ❖ Airborne systems and equipment
- ❖ Railways systems and automatism

ATC/FROST

- ❖ Custom & Standard Transformers, Inductors,
- ❖ Toroidal Transformers, Ferrite Components,
- ❖ Audio Transformers, Class 2 Transformers
- ❖ 3 Phase Transformers and Reactors
- ❖ Miniature chokes
- ❖ Control transformer

LUXELL

- ❖ Ruggedized Flat Panel Displays
- ❖ 3 to 6 ATI (civil & military)
- ❖ Meet Mil STD and RTCA requirements
- ❖ Rectangular FPDs: 10.4" & 12.1"
- ❖ LED & CCFL backlights
- ❖ Custom-made Glass Panels and LCD modules
- ❖ Touch Screens options
- ❖ Heat seal, FPC, LCD heaters, anti-glare polarizers
- ❖ Interface: VGA/PAL/LVDS/Ethernet/NTSC
- ❖ NVIS compatible

5445 Henri Bourassa West – Suite 290 - St-Laurent, Quebec, H4R 1B7, Canada

Electronic Manufacturers' Representative

GETELEC

- ❖ Silicone gaskets
- ❖ Conductive elastomers
- ❖ Hyper-frequency shielding
- ❖ Heat-conducting material and insulating gaskets

MS Kennedy

- ❖ Operational and video amplifiers
- ❖ Motor drives/controllers
- ❖ Voltage regulators
- ❖ Custom analog/mixed signal hybrids
- ❖ DC/DC Converters
- ❖ Power hybrids and multi-chip modules

ATI Electronique

- ❖ PCB Connectors – HE809-810
- ❖ HE801-804-807-3 to 73 contacts-2 rows
- ❖ 2 mm pitch Nanonector - 220 series
- ❖ Spring Connector – 700 series
- ❖ MD series MICRO-D (MIL-C 83513)
- ❖ Coaxial connectors HN (MIL C 3643 A)
- ❖ P.C.B. coaxial cable terminations
- ❖ Custom: Filtered connectors EMI, 1 mm pitch Nanoconnector – 100 series, Rackable filtered & shielded connector

GETELEC

- ❖ Microelectronic grade adhesives
- ❖ Electrically conductive adhesives
- ❖ Coatings and inks
- ❖ Anisotropic conductive adhesives
- ❖ Thermally conductive adhesives
- ❖ Encapsulating and potting compounds

DELTRON

- ❖ Linear and switching power supplies
- ❖ Power factor corrected, hot-swappable, and redundant units
- ❖ Ultra-compact power supplies
- ❖ Custom made power supplies

OSLO SWITCH

- ❖ Standard, Keylock, Miniature, Pushbutton, Rocker, Dust tight & Waterproof Switches
- ❖ Incandescent, Neon and LED Lighted or unlighted versions. UL, CSA & VDE approved
- ❖ Switch accessories including front panel door

FUTABA Electronics

- ❖ Metal Oxide Film Resistors,
- ❖ Fusible Resistors & Metal Glaze Resistors,
- ❖ Cement Resistors & Wire Wound Resistors,
